Mr. Carlton C. Massey
County Executive
Fairfax, Virginia

Dear Mr. Massey:

The final report of the National Capital Planning Commission concerning the Central Intelligence Agency's proposal to establish a new headquarters at Langley, Virginia, has been received.

I had the pleasure of discussing this matter with Mr. Freehill yesterday and at his suggestion am forwarding herewith copies of the final report together with an exchange of correspondence between Mr. Bartholomew, Chairman of the National Capital Planning Commission, and Mr. Dulles.

I look forward to meeting with you soon to discuss problems of mutual concern in connection with the establishment of this facility at Langley.

Sincerely,

/s/

L. K. White
